Dear All,

After due consideration of the above application, and in its opinion to meet the licensing objectives of 'the prevention of crime and disorder' and 'the protection of children from

harm', Merton Trading Standards Service would like to make the following representation requesting that these conditions be added,

1. Evidence of age in the form of photo identification shall be requested from any person appearing to those selling or supplying alcohol, to be under the age of 25 and attempting to buy alcohol. Examples of appropriate photo identification include a passport, driving licence, and the Proof of Age Standards Scheme (PASS) approved age card.

The premises licence holder shall ensure that anyone utilised by them for the role of delivering alcohol orders ensures that the alcohol is delivered to the client who ordered the alcohol, or ensures that any 'safe place' as designated by the client where the delivery can be left must be in an area not visible to the general public and not where any minor can access the delivery.

2. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.

3. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age-restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal.

4. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

5. An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).

6. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate training in relation to undertaking appropriate age checks on such, before being allowed to sell or supply any alcohol (and any other age-restricted product). Refresher training will be carried out at least every three months.

7. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.

8. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Many thanks,

Christopher
