15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,

- (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
- (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Fwd: Objection to late night refreshment licence for Papa John's Pi, 413 Durnsford Road

To Merton Council Licencing Office

I'm writing to notify you of my objections to the application for an extended opening hours licence for Papa John's.

I live a few doors down from Papa John's, close enough to hear their kitchen extractor fan from my bedroom at the front of the house, and am regularly disturbed by the revving of multiple delivery motorbikes when trying to get to sleep at night. Extending opening hours until one or two in the morning at weekends will make this problem worse.

I am an occasional customer of Papa John's and the other small restaurants or take-aways on Durnsford Road nearby. None of the other takeaways cause the same noise nuisance.

I'm also aware of other problem issues around the premises, including overfilled bins which are brought out through the alleyway to the end of Mount Road as Papa John's doesn't have a side entrance. There is also cannabis smoking in the street close to the premises (i.e. on Mount Road) on a regular basis and at various times of day.

I'm requesting that the application for extended opening hours be refused.

Thank you for your attention, and I look forward to your reply.

Yours faithfully

Emer Bellis (Mrs)

To whom it may concern

I would like to object to the current application put forward by Papa John's Pizza on 413 Durnsford Road for a new premise license.

I am a local resident and I am concerned that the proposed late opening hours would likely lead to public nuisance (Prevention of public nuisance) and potentially also to crime and disorder (Prevention of crime and disorder).

Specifically, I am concerned about a worsening in noise pollution, disturbances and antisocial behaviour. We already experience some noise disturbance and incidents of motorbikes revving their engines in the vicinity of the establishment And racing up the road loudly late at night despite there being road bumps. Furthermore, there is a problem with empty bottles being discarded onto the pavement at the top of Mount Road and along the paths and walls down Mount Road. Many of the local residents, myself included, have also observed that there is strong smell of cannabis emanating from the premises and immediate vicinity, frequently and at different times of the day.

As you can imagine, this is already a nuisance and a public safety concern as the premises are at the top of our residential road, and myself and many of my neighbours have young children. These issues are having a detrimental impact on our local community.

We anticipate that with extended opening hours these problems will be made worse and lead to disturbances into the small hours. I also worry that late opening would attract further antisocial and criminal activity. We are a through-road for pedestrians so we already get a lot of vehicle break ins and broken glass from alcohol bottles left outside our houses.

For these reasons I would strongly urge you to deny this application.

Yours sincerely,

Josephine Bew

Dear licensing

I am writing as a local resident to Papa Johns Pizza at 413 Durnsford Road in relation to their application for a new premises license for extended hours.

Papa Johns is already not a good neighbour to have and I am therefore concerned that the additional proposed late opening hours would likely lead to increased public nuisance (Prevention of public nuisance) and to an increase in crime and disorder (Prevention of crime and disorder).

Specifically, I am concerned about a worsening in noise pollution, disturbances and antisocial behaviour. We already experience some noise disturbance and incidents of motorbikes revving their engines in the vicinity of the establishment. They accelerate down the street exceeding the speed limit and 'jumping' over the speed humps and park their bikes directly outside Papa Johns on the pavement. They regularly have no regard for pedestrians or other vehicles when they are riding around. There is already a problem with empty bottles being discarded onto the pavement at the top of Mount Road and there is often a very strong smell of cannabis in the immediate vicinity, frequently and at different times of the day, but only when they are open.

When the riders are challenged about their driving behaviour they are very aggressive and rude in response. They clearly have no responsibility to the neighbourhood and the local manager does not instill this in their staff.

The business also does not manage its waste well and we frequently have to walk past pizza ingredient wrappers for cheese and tomatoes strewn across the pavement.

We have on numerous occasions phoned and visited to speak to the manager, we have also written to Papa Johns Head Office to complain about their staff and waste management, but over the years this has not resulted in any change in behaviour or acknowledgement of the local impact on the neighbourhood. Their drivers have no regard for the local speed limits and frequently endanger lives and property when they egress on and off the public foot path to the road. Their drivers have nearly crashed into my car whilst I'm turning onto Mount Road from Durnsford Road on several occasions and management state they will deal with it but never do.

This business is already a nuisance, a public safety concern and is not managed well. The premises are at the end of our residential road that is busy during the day but quiet at night. There are many young children living in the street and these issues are already having a detrimental impact on our local community. There is no other late night license in this area and this should not be used to set a precedent for other businesses to apply.

We anticipate that with extended opening hours these problems will be exacerbated and lead to additional disturbances into the middle of the night and further waste issues, whilst attracting further antisocial and potentially criminal (drug) activity.

For these reasons I would strongly urge you to deny this application.

Yours sincerely
David

Subject: Objection to Papa Johns licensing application/413 Durnsford Rd, Southfields, London SW19 8EE

Dear Ms MacDoland,

I would like to object the current Papa John (413 Durnsford Rd, Southfields, London SW19 8EE)'s licensing application; to extend their opening hours until 1 am every night with 2 am Friday and Saturday,

I live at [REDACTED], a 10 second walk from Papa John. Whilst Mount road itself is a very family orientated neighbourhood, I am already concerned about the noise of motorbikes, irresponsible young adults smoking marijuana and broken alcohol bottles being left near Papa John.

We feel that the late opening hours will attract further antisocial, intoxicated and potentially criminal activity, causing more noise, pollution, drunk people hanging out in the streets later into the mornings.

As a proud resident of Wimbledon Park, I understand that it is in everyone's best interest to recover the UK economy after the 3 months of lockdown, however, the negative consequences is far greater by Papa John being open until 1 or 2 am.

For these reasons, I would like to ask you to carefully consider the fear and the anxiety that the changes would create amongst the residents, and deny this application.

Thank you for your kind consideration.

Warm regards,

Dear Ms Macdonald

I am writing to oppose the granting of a new premises licence as per application reference WK/202002927 on the premises located at 413 Durnsford Road, Wimbledon Park, London, SW19 8EE

Extending the hours of operation will increase public nuisance as the noise produced by both customers and operators will be extended until unreasonable hours in a predominantly residential area (situation that was present before the opening of the business).

As a local resident we already have to navigate around the delivery vehicles that have little respect for pedestrians, driving to and from the pavement as if they were on the road.

The addition of on and off alcohol sales will contribute further to the increase of public nuisance. Until the premises opposite were demolished and boarded off, it was frequent the gathering of people to smoke drugs.

Best regards,

Eduardo Labaronnie

Application WK/202002927

Dear Sir and Madam,

I object to the application by Papa John Pizza at 413 Durnsford Road for later opening hours (application WK/202002927). I live with my family, including three young children (all under the age of 9) less than 50 metres from the premises, on [REDACTED] My objections to this application are:

-) the shop have several motorbikes and cars for deliveries. All of the motorbikes have learner plates and drive straight off the road, across the pavement to park immediately in front of the shop. These vehicles make a lot of noise, especially the bikes and are a hazard to pedestrians. At the moment we can hear them loudly revving engines and accelerating away until 11pm - we do not want that to be any later.
-) the drivers of the vehicles and staff of the shop take their breaks outside the premises, often smoking and talking loudly. Again, we do not want this going on any later while our children are sleeping.
-) the commercial waste bins round the side of the premises (on the south side of Mount Road) often overflow or have Papa Johns branded litter around them. This is blown down the street. Increased opening hours could only make this worse - more waste and more careless disposal later at night, earlier in the morning.

If you would like any further information I would be happy to help.

Kind regards, Edward Perks

To whom it may concern,

Please can you ensure that the licence application for Papa Johns to extend their hours is not granted.

We, as well the other residents are strongly against this for the following reasons:

- This is residential area and majority of the homes have families with children.
- Papa Johns attracts crowds at night that are loud, drunk and unsociable.
- It encourages drug use around the facility
- There is often broken glass and remains of cigarettes and drugs outside the shop.
- The litter it produces and it's customers is unacceptable. The council has admitted on several occasions that the litter on Mount Road is unacceptable.
- The Papa Johns delivery scooters rev their engines and speed down the road waking sleeping children and no doubt care workers.
- They park their cars on the pavement illegally, blocking the pavement. The elderly and and people with prams often have to go on the road to avoid the cars.
- All in all, it is a hub of anti social behaviour and the if the licence is extended, it will get worse and will ultimately increase crime and the chance of someone being hurt.

If you would like more information, please let me know.

Thanks

Good evening

I am writing to register my opposition to Papa Johns and their noisy scooter riders from extending their opening hours on Durnsford road.

It is a noisy sociable place of work and the riders can be heard on surrounding streets as they holler at each other between deliveries without consideration for neighbours. Sometimes parking up opposite our house for long conversations.

With young children and long working hours we and our neighbours appeal to the council to maintain the 11pm end to their operating hours and noise pollution.

Kind regards

Furthermore, there is a problem with empty bottles being discarded onto the pavement at the top of Mount Road. Many of the local residents, myself included, have also observed that there is a strong smell of cannabis emanating from the premises and immediate vicinity, frequently and at different times of the day. There are also frequent deliveries at antisocial hours which disturb us.

As you can imagine, this is already a nuisance and a public safety concern as the premises are at the top of our residential road, and myself and many of my neighbours have young children. These issues are having a detrimental impact on our local community.

We anticipate that with extended opening hours these problems will be made worse and lead to disturbances into the small hours. I also worry that late opening would attract further antisocial and potentially criminal activity.

For these reasons I would strongly urge you to deny this application.

Yours sincerely
