Agenda Item: 3

JOINT CONSULTATIVE COMMITTEE WITH ETHNIC MINORITY ORGANISATIONS

06 December 2022

Present: Councillor Edith Macauley (in the Chair), Councillor Marsie Skeete,

Councillor Slawek Szczepanski, Councillor Jenifer Gould, Councillor Nick McLean,

Councillor Hina Bokari

Councillor Gallea, Rev. Hannah Neale, Evereth Willis, Beau Fadahunsi, Michael Lorde, Michael Lord, Grace Oyerinde, John David, Fitzroy Dawson, Logie Lohendren, Zoe Gallen, Insp Andrew Martin, Stella Akintan

1. **Declarations of Interest**

None.

2. **Apologies**

Mr Shah, Mrs Shah, Jane McSherry, Mr Sheikh, Councillor Marsie Skeete, Mr Islam, Abayeh Savage, Councillor Stringer

3. **Minutes**

Agreed.

4. **Tackling Violence Against Women and Girls (VAWG) – Zoe Gallen, Lead for Domestic Abuse and VAWG, LBM**

Zoe Gallen gave an overview of Safer Merton's work to tackle Violence Against Women and Girls (VAWG).

Merton launched its new Violence against Women and Girls strategy on 6th December.

It sets out what the borough will do to support anyone experiencing VAWG, domestic abuse, forced marriage and honour-based violence, sexual violence, this also includes supporting men as victims.

The priorities are:

Partnership Objective 1: Raise awareness and coordinated partnership working

Partnership Objective 2: Prevent VAWG through early intervention

Partnership Objective 3: Support victims, survivors and their children

Partnership Objective 4: Hold perpetrators to account

Partnership Objective 5: Improve the safety of women and girls

<https://www.merton.gov.uk/communities-and-neighbourhoods/crime-prevention-and-community-safety/vawg>

Questions/Comments

Q: Is there a correlation between mental health and abuse?

A: There has been an increase in cases with health present. Mental health and substance abuse are all risks. Safer Merton works closely with mental health teams to give support. The mental health teams work closely with victims and perpetrators

Q: Are there any cultural differences and is the council working with different communities?

A: Forced marriage and honour-based violence are cultural factors that the council has to consider. Safer Merton works with numerous communities to promote the VAWG work.

Q: How much work is done with male migrants to help them through the difficulties they may have in Britain.

A: It is important to educate residents about acceptable/unacceptable behaviour. Safer Merton wants to do more work with communities to raise awareness. Education is a key part of the VAWG strategy.

Q: How are stretched resources being used to tackle violence?

A: Safer Merton works closely with safeguarding teams and the police. There is good partnership working between the council and the police

Q:How is the service promoted? How do you reach people to have the confidence to report incidents? How are you working with schools?

A: Communication is being done through various media and the use of leaflets. Referrals are mainly from G.P.s. Where there is honour based violence coercive control may be present and Safer Merton has been training G.P.s and the Integrated Care Systems staff to identify domestic violence and honour-based violence.

Over the next twelve months the focus will be improving communication to promote the strategy.

Work is being done with schools, the Youth Parliament and Young Advisors

Q: What about safety on the streets?

A: Work is being done in schools to give girls the tools to keep safe. Statistics show 75% of perpetrators are male and 25% female. Work will focus on boys to men training. Safer Merton is working with Safer Schools officers and Cadets. Safer Streets Funding is being used.

5. Police update – Inspector Andrew Martin, Metropolitan Police

Inspector Andrew Martin introduced himself as the new Safer Neighbourhoods Inspector for Merton and presented an update on the MPS and local crime statistics and the approach to community engagement.

Lockdown shewed the figures. The investigation on the explosion at Galpins Road is ongoing and impacted local policing. Reassuring work is being done Galpin Road residents.

Stop and Searches reduced by 16.5% in the last twelve months. Line managers and senior managers randomly review stop and search videos. 15-19-year-olds are the largest group stopped. Mainly men are stopped. The statistics show a disproportionate number of Black people are stopped and searched.

Insp Martin wants to understand what is working well and what the JCC requires.

Questions/Comments

C: Cllr Macauley expressed thanks to the police for the support given at Galpins Road.

C: Car crime is a big issue, the Catalytic Convertor marking service is good.

A: Another Catalytic Convertor marking event will be soon done again. The most at-risk vehicle needs to be identified. Vehicle crime is worse in some wards more than others. People may not be reporting crimes because of the lack of confidence. Teams will be sent out to do door knocking.

Q: Exhausts are being cut off – can cameras be used to detect perpetrators?

A: Ward panels – A Sgt, Ps and PCSOs will set crime priorities for the area. The police will look at using cameras and engage with councillors and the council's CCTV team. Designing Crime officers are also available.

Q: Response times – Merton is not meeting two of the three commitments – what is causing this?

A: There are no definitive reasons. Delays in getting clear information sometimes cause delays. The fifteen minutes target is from when the call is made – there could be a lack of staff affecting the response time.

6. Windrush 75th Anniversary planning – Evereth Willis, Equality and Community Cohesion Officer, LBM

Evereth Willis presented an update on the Windrush 75th Anniversary planning.

A steering group comprised of officers across the council, councillors and voluntary sector representatives met on 15 November 2022 and came up with ideas for a potential programme of activities in Merton.

Concern was expressed that not everyone affected by the Windrush scandal had received compensation and the borough could consider doing more promotion of the scheme and give details of available support in Merton.

It was proposed that the commemoration/celebration and activities could be split across three themes:

- Educate
- Celebrate
- Heritage

A further update will be presented at the March JCC meeting.

Questions/Comments

C: Having activities across the borough that aim to educate is a good idea.

7. Any Other Business

None.

Grants Programme Guidelines & Application Form

Wimbledon Guild is a community charity in Merton. We offer grants to people in Merton who need financial help and don't have any other sources of money available.

As a charity, we can only offer a limited amount of money – typically about £300 for white goods and about £75 for primary school uniforms. We might offer second-hand items as well as new.

We may be able to offer a contribution towards a larger item if you can show the rest of the money is coming from other funders.

Guidelines for our grant applications

1. Demand for grants is high and not all applications will be successful. It's important that you send us all your information with your application so that we can make sure funds are given to those who need it most.
2. Grants are only available to residents who live in the London Borough of Merton.
3. Specific funds are only for people with certain conditions, young people or people with armed-forces connections which may limit our ability to help.
4. We don't offer grants for on-going debts and arrears, or for making improvements to Council and privately rented property.
5. Grants will not normally be given to anyone who has been offered a grant in the previous year.
6. Please include evidence of your financial situation such as relevant bills, benefits and bank statements (minimum one month).
7. In your application, you'll need to show that you've looked at other sources of statutory funding and financial help and say why they're not available to you.
8. If you're asking for money for a specific item (e.g. a new cooker), you need to tell us the cost of the cooker, where it's from and whether you would accept second-hand goods.
9. We process all application forms as quickly as possible. The turnaround time for an application is usually within a week of the application form arriving. However we do need all of your supporting documents with the application form, and we may need to ask you extra questions about your application.
10. Payment is normally made by BACS to the supporting organisation e.g. charity or social services, or to the supplier, rather than to an individual applicant.
11. We're committed to equal opportunities. Please fill in the statement on the final page of the application form. We will take this off when your application arrives and use it to check that

we're offering support across Merton. It has no bearing on the decision-making process of the application itself.

12. If your application is successful, one of our team will be in touch as part of our follow up process, usually within 3 months of you getting the grant.

Extra information for war veterans and their families

13. Please let us know if you have been directly involved in a war effort (e.g. WW2, Falklands, Iraq) or you are a dependent or a descendant of someone connected to a war effort (or in the case of WW2 a reserved occupation such as teaching, fire-fighters etc.)

Information for care professionals

Applications can be made by individuals or by their social/health worker etc. with their consent. Applications must be supported by this professional or other key worker (whose name and contact details should be included on the application form).

Supporting key workers etc. should provide a letter detailing their involvement, the applicant's circumstances e.g. degree of vulnerability/social exclusion and the reasons why they support the application.

Please make sure you have completed the data protection requirement below.

Data protection

The information you give us as part of your application will be discussed by our Grants team, but will remain confidential to them, unless you, the applicant, give us permission to approach other support agencies.

Data Protection – to be completed by any involved care professional

We are committed to protecting the privacy and security of personal information, in accordance with the EU General Data Protection Regulation (GDPR) and UK's Data Protection Act 2018.

We collect personal data for several reasons, including to find out and understand how applicants need support, assess their eligibility for a grant, for equality monitoring, to work out practical ways we can help and to keep in touch.

I confirm that the applicant has been given or been read a copy of our Privacy Notice entitled '**How we use your information**' (available from www.wimbledonguild.co.uk/how-we-help/financial-assistance/small-grants) for a more detailed explanation of what information we collect, why, when we may share their information and how we store it securely.

Consent and Privacy Form (to be completed by applicant)

We are committed to protecting the privacy and security of your personal information, in accordance with the EU General Data Protection Regulation (GDPR) and UK's Data Protection Act 2018.

We collect personal data for several reasons, including to assess your eligibility for a grant, to find out and understand how you need support, for equality monitoring, to work out practical ways we can help you and to keep in touch.

Please refer to the accompanying sheet '**How we use your information**' for a more detailed explanation of what information we collect, why, when we may share your information and how we store it securely.

Your acknowledgements and consents

- I give consent for Wimbledon Guild to use relevant health information to understand how I need support and work out practical ways to help including assessing eligibility for a grant.
- I acknowledge that Wimbledon Guild will also need to use my personal information (including details from this form) for the purposes of carrying out equality monitoring, and for other reasons as described in the "How we use your information" sheet.
- I give consent for Wimbledon Guild to exchange information about me (which may include health details) with other organisations involved in the activity, grants programme or service I have asked for support with. This may include support charities such as Foodbank, Citizens Advice, SSAFA, Faith in Action and Christian CARE.
- I give consent for Wimbledon Guild to exchange information about me (which may include health details if relevant) with companies delivering items purchased through this grants programme.

Notes about consents

If you choose not to give us consent to use relevant health information we will not be able to assess the practical ways that we can help and whether you are eligible for a grant.

Please turn over

If you choose not to give us consent to exchange information with other organisations, we may only be able to provide a more limited service to you. We may still share your details with other parties in exceptional circumstances where we have reason to believe that this will help to protect you or someone else at risk.

If you choose not to give us consent to exchange information with companies delivering items purchased through this grants programme then we will not be able to make these purchases on your behalf.

You have the right to withdraw consent at any time.

We'd like to keep in touch and want to make sure we communicate with you in the right way.
