This saving will be achieved through i) centralising the residual data/performance monitoring capacity currently dispersed across operational divisions and ii) prioritising work to deliver statutory requirements only. Reduced capacity will impact on the deliverability of increased inspection burdens which is why the risk score for this saving has been revised. 1 FTE staffing of overall pool of 8 posts. None We will focus on statutory returns which may impact on requests from other departments. We will use the Council's agreed HR policies and procedures for restructuring. An EA will be developed for the service change staffing proposals. The TOM refresh includes an increased focus on delivering the restructure as well as flexible working and the introduction of the SCIS. This saving is in line with TOM direction of travel to focus on statutory responsibilities and organisation layer strategy. Delivery of a functioning MOSAIC product is key to delivering this saving.	377		40			Medium	Medium

		Description	Review of CSF staffing structure beneath management level.	1,049		189	201		High	Medium
		Service Implication	Deliver for September 2018 so estimated full year effect of £390k split over two years. With changes to the structure of the department, the implementation of SCIS and a focus on minimal education and social care core functions we will redesign our workforce across the smaller department. We have reviewed our workforce following our strategy to reduce agency cost and changes to team management positions. Due to less experienced staff and increased inspection burdens, we revised the risk score for this saving.							
		Staffing Implications	Expect a reduction of 13 posts from a total of 65FTE.							
		Business Plan implications	We will prioritise our core statutory education and social care functions.							
		Impact on other departments	A smaller workforce will reduce our ability to work on cross cutting issues and new developments.							
		Equalities Implications	We will use the Council's agreed HR policies and procedures for restructuring. An EA will be developed for the service change staffing proposals.							
		TOM Implications	The TOM refresh includes an increased focus on delivering the restructure as well as flexible working and the introduction of the SCIS. The CSF workforce needs to be more highly skilled and flexible. Delivery of a functioning MOSAIC product is key to delivering this saving.

A phased approach across two years is proposed to enable a managed transition to a significantly downsized department.</p> <p>2.5 FTE post reductions out of an establishment of 18 FTE in the Senior Leadership Team and 30+ wider management posts across CSF.</p> <p>We will prioritise our core statutory education and social care functions however there will likely be reductions in volume and outcomes.</p> <p>A smaller management team will reduce our ability to work on cross cutting issues and new developments. This will have an impact on management support for partnership working.</p> <p>We will use the Council's agreed HR policies and procedures for restructuring. A single EIA will be developed for the service change staffing proposals.</p> <p>The TOM refresh will include an increased focus on delivering the restructure. The continued focus on LEAN processes and disciplined performance management will be critical. There are inter-dependencies to potential national policy development with regard to Adoption, Youth Justice and the Council's education duties which will impact on the deliverability of this saving.</p>	1,509	224			High	Medium

2015/18	E&R43	Service/Section Description	Safer Merton Reprofiling how Safer Merton will achieve savings of £70,000 in 2017-18. The reprofiling will see staff levels maintained and budget reductions met through cutting back on non statutory budgetary spend.	70	High	High	SNS1
		Service Implication	By reviewing every single budget line within Safer Merton's full budget profile we have identified a range of efficiencies to be made. The service will operate only with essential spend requirements and we will remove large, non statutory service costs. By making savings from each cost line we will achieve budget reduction without the need to further reduce staffing levels				
		Staffing Implications	No reduction in staff				
		Business Plan implications	In line with the TOM				
		Impact on other departments	No additional impacts. Addressing crime and disorder remains a council wide responsibility				
		Equalities Implications	Crime affects all areas of the borough and all of the communities whom live within it. The partnerships response to these issues requires a strong Safer Merton service and as such not reducing staffing further is vital to achieving this outcome				
		TOM Implications	None

The overall FTE reduction is estimated at 10.65 FTE .</p> <p>Business Plan Implications A reduction in staffing capacity could lead to reductions in achievement against KPI's and some key projects but this is mitigated by ensuring that the focus remains on key business plan objectives including library redevelopments and the schools and libraries membership scheme.</p> <p>Impact on other departments Reduced capacity could lead to a reduction in customer support.
