1 PURPOSE OF REPORT AND EXECUTIVE SUMMARY

1.1 The report provides members of the panel with an overview of performance of the Merton Safeguarding Children Board for the year 2016-17 as contained within the annual report.

2 DETAILS

2.1 The report, contained as Appendix 1, presents an annual update on what is going well, the key challenges and the actions that we will take to address these challenges. The vision of the MSCB is that the Board works to ensure that *Everyone in Merton does Everything they can to ensure that Every Child is Safe, Supported and Successful*. This annual report is an evaluation of our progress towards achieving this aim as well as an assessment of the overall impact of the Board especially with regards to our three key priorities.

2.2 This report presents activity and performance data from 2016-17 and identifies the priorities for the year ahead:

- **Think Family** – to support children and adults in our most vulnerable families to reduce risk and ensure improved outcomes.
- **Supporting Vulnerable Adolescents** – adolescence is a time of significant change for all young people.
- **Early Help** – To develop an early help system that is responsive and effectively prevents escalation of concerns.

2.3 These three priorities for the MSCB are underpinned by the cross-cutting theme of tackling **Neglect**.

2.4 The report also presents the review of the Merton Child, Young Person and Family Well-being Model, following its introduction in 2013. The updated model better reflects the Board's "Think Family" priority.
