

COUNCIL MEETING – WEDNESDAY 4 JULY 2018

NOTICE OF MOTION

This council condemns the failure of the administration to find an alternate use for the former Virgin gym in Battle Close. The site has become a focus for anti social behaviour causing great concern for the residents of Trinity. Due to the administrations inaction, £28,000 of taxpayer's money is being lost every month on preventing the site from deteriorating further. This council calls upon the cabinet to:

- a) Review previous options for short term use that would save taxpayers money;
- b) Publically state what options the council are considering to bring the site back into use.
