I am writing in support of this premises license variation.

Over the past 4 years, the management of The Pod have been an active participant in monthly Pubwatch meetings, they use the crime prevention tools of Townlink radio and Littoralis and have been very co-operative with crime prevention methods and communications in the town. The proposed new offer of a well promoted LGBT Friendly venue would present a positive dimension to the night time economy in Wimbledon and by managing the closing times through the town the disbursement of customers will be staggered. The conditions on the license that have been agreed by the owner are very stringent and reasonable, and clearly the advice and guidance from the Police licensing officer has been adopted.

We look forward to working with CMYK when they launch after their refurbishment.

Kind regards

Helen Clark Bell
