1 STATEMENT OF PRINCIPLES UNDER THE GAMBLING ACT 2005

1.1 Introduction

London Borough of Merton is the Licensing Authority under the Gambling Act 2005 and is responsible for granting premises licences in the Borough in respect of: -

- ❖ Casino premises;
- ❖ Bingo premises;
- ❖ Betting premises, including tracks;
- ❖ Adult Gaming Centres;
- ❖ Family Entertainment Centres;
- ❖ Club Gaming Permits;
- ❖ Club Machine Permits;
- ❖ Small Lotteries;
- ❖ Temporary Use Notices;
- ❖ Occasional Use Notices; and
- ❖ Alcohol licensed premises permits and notifications.

The Gambling Act 2005 requires the Licensing Authority to prepare and publish a “Statement of Licensing Policy” that sets out the policies that the Licensing Authority will generally apply to promote the Licensing Objectives when making decisions on applications made under the Act.

This “Statement of Licensing Policy” has been adopted having regard to the provisions of the revised Guidance issued by the Gambling Commission, responses from consultees and the licensing objectives of the Gambling Act 2005.

The formal Statement of Licensing Policy is available on Merton’s website at www.merton.gov.uk/licensing/Gambling

This policy came into effect on 31 January 2019 and has been reviewed in accordance with statute. The Policy will be reviewed as necessary, and at least every three years from the date of its adoption.

A consultation on this policy took place between 25 June and 17 September 2018.

The London Borough of Merton will aim to permit the use of premises for gambling as set out in the Act.

1.2 The London Borough of Merton

The London Borough of Merton is one of the metropolitan boroughs located in South West London and is predominantly urban in character. The Borough is composed principally of five town centres rather than a single, dominant centre and these form the basis of the Council’s community focus. The town centres are Wimbledon, Raynes Park, Mitcham, Colliers Wood and Morden.

At the last count the population of the borough was just under 203,200 (last updated in 2016). As far as the economy is concerned, Merton is still heavily reliant on leisure and service industries, which form almost 60% of total employment within the borough.

Merton is also densely populated. In contrast, the Borough has one of the highest proportions of parks and open spaces within the London area, some one third of them being green field sites.

Interested Party:

For the purposes of this Act, a person is an interested party in relation to a premises licence if, in the opinion of the Licensing Authority which issues the licence or to which the application is made, that person:

- a) **Lives sufficiently close to the premises to be likely to be affected by the authorised activities;**
- b) **Has business interests that might be affected by the authorised activities;**
- c) **Represents persons who satisfy a) or b) above.**

Local Area Profile:

Gambling operators have been required to undertake risk assessments for their premises since 6th April 2016 (and keep the risk assessment document on site), which should take into account the nature and characteristics of the locality in which they are situated, such as the proximity of schools, churches, addiction rehabilitation centres, offender hostels, etc. and the preponderance for gambling in certain areas of the Borough. Such risk assessments have to consider the Borough's Local Area Profile which maps reported gambling-related problems in any area of the Borough is a live separate document which will remain under review as changes take place within the borough. The Local Area Profile document is designed to increase awareness of identified detailed risks, to inform operators with constructive engagement when completing risk assessments and to allow them to address identified local risks.

1.4 Licensing Objectives

This document sets out the policies that the Licensing Authority will apply when making decisions upon applications or notifications made for: -

1. Premises Licences;
2. Temporary Use Notices;
3. Permits as required under the Act; and
4. Registrations as required under the Act.

1.5 Licensable Premises and Permits

This policy relates to all those licensable premises, notices, permits and registrations identified as falling within the provisions of the Act, namely: -

1. Casinos;
2. Bingo Premises;
3. Betting Premises;
4. Tracks;
5. Adult Gaming Centres;
6. Family Entertainment Centres;
7. Club Gaming Permits;
8. Prize Gaming Permits;
9. Occasional Use Notices
10. Temporary Use Notices;
11. Registration of small society lotteries; and
12. Alcohol licensed premises

1.6 General Principles

Section 153 of the Gambling Act 2005 governs how the Licensing Authority or Licensing Committees will consider and determine applications for Premises Licences applications and other applications under the Gambling Act 2005. A Licensing Authority or Committee will 'aim to permit the use of premises for gambling' in so far as the authority think it in accordance with any relevant Code of Practice, any relevant Guidance issued by the Gambling Commission, reasonably consistent with the licensing objectives and in accordance with this statement. A Licensing Authority or Committee will not consider expected demand for the facilities being considered.

The Licensing Objectives are as follows:

- Preventing gambling from being a source of crime and disorder, being associated with crime or disorder, or being used to support crime
- Ensuring that gambling is conducted in a fair and open way
- Protecting children and other vulnerable persons from being harmed or exploited by gambling

Nothing in this Statement of Policy will: -

1. Undermine the rights of any person to apply under the Act for a variety of permissions, other than casinos, and have the application considered on its individual merits in accordance with the Act; or
2. Override the right of any person to make representations on any application or seek a review of a licence or permit where they are permitted to do so under the Act.

The starting point in determining applications will be to grant the application without conditions, other than the mandatory conditions or default conditions laid down by the Secretary of State or reject the application. Conditions, where allowed, will only be considered where they are needed to meet the requirements of the licensing objectives and the criteria above in Section 153 of the Gambling Act 2005, and any conditions applied will be proportionate. Conditions will be considered unnecessary if they are already adequately covered by other legislation or in the Default or Mandatory Conditions.

When determining an application to grant a Premises Licence or review a Premises Licence, the Licensing Authority will have regard to the proximity of the premises to schools, vulnerable adult centres and residential areas where there may be a high concentration of families with children. The proximity of premises taken into consideration will vary depending on the size and scope of the gambling premises concerned. Each case will be considered on its merits. We would expect the applicant to effectively demonstrate how they might promote the licensing objectives, address any relevant guidance issued by the Gambling Commission under section 25 of the Act and be in accordance with any relevant code of practice issued under section 24 of the Act. We would therefore expect a premises risk assessment taking into consideration the locality where the premises are situated.

When considering any conditions to be attached to licences, the Licensing Authority will primarily focus on the impact of the authorised activities taking place at licensed premises on interested parties and/or in the context of the Licensing Objectives.

Interested Parties

The Licensing Authority will form an opinion as to whether a person is an Interested Party, based on whether that person represents those that have or live sufficiently close to the premises to be likely to be affected by the authorised activities or has business interests that might be affected by the authorised activities. Factors the Licensing Authority may take into account to determine whether or not an interested party is within the proximity of the premises are as follows:

1. the nature of the activities;
2. the size of the premises;
3. the proposed hours of operation of the premises; and
4. the distance of the premises (eg town centre, residential, rural) from the location of the interested party making the representation.

This list is not exhaustive and the Licensing Authority may take into account any other factors that they consider to be relevant in deciding whether or not someone is an interested party.

In all cases, each application will be determined on its individual merits.

In determining any application the Licensing Authority may not have regard to the expected demand for the facilities, which it is proposed that the premises intend to provide.

The Licensing Authority recognises that, apart from the licensing function, there are a number of other mechanisms available for addressing issues that can occur away from licensed premises that may give rise to objections including:

1. Planning controls;
2. Ongoing measures to create a safe and clean environment in these areas in partnership with local businesses, transport operators and other Council departments;
3. Regular liaison with the Police on law enforcement issues regarding disorder and anti-social behaviour;
4. The power of the Police, other responsible authorities or local residents and businesses to seek a review of the licence.

Objectors will be required to relate their objection to one or more of the Licensing Objectives for Gambling, listed at 1.6 above, before the Licensing Authority will be able to consider it. An application for a review of a licence must be made on the prescribed form but must also relate to the 3 Licensing Objectives for Gambling, listed at 1.6 above.

The Licensing Authority, in undertaking its licensing function, will have due regard to the need to eliminate unlawful discrimination and to promote equality and good relations between persons of different racial groups and to promote equality of opportunity for people with disabilities.

1.7 Consultees

The Statement of Licensing Policy has been subject to formal consultation with:

- The Borough Commander of the Metropolitan Police at Wimbledon Police Station;
- Persons who appear to the Authority to represent the interests of those carrying on gambling businesses in the authority's area
- Businesses who are, or will be, holders of a premises licence
- Organisations named as Responsible Authorities in the Act
- Persons who appear to the Authority to represent the interests of persons who are likely to be affected by the exercise of the authority's functions under this Act; e.g. representatives of residents associations currently notified to the Licensing Authority, Wimbledon Civic Forum, Local Trade Associations etc
- Other organisations including faith groups, voluntary and community organisations working with children and young people, organisations working

with people who are problem gamblers, medical practices or primary care trusts, and advocacy organisations (such as the Citizen's Advice Bureau and trade unions)

1.8 Information exchange

In fulfilling its functions and obligations under the Gambling Act 2005 the Licensing Authority will exchange relevant information with other regulatory bodies (like the Gambling Commission) and will consider the establishment of protocols where it considers this necessary. In exchanging such information, the Licensing Authority will conform to the requirements of Data protection and Freedom of Information legislation in accordance with the Council's existing policies. The authority will act in accordance with the relevant legislation and guidance from the Gambling Commission and will adopt the principles of better regulation.

Details of those persons making representations will be made available to applicants and other interested parties, to allow for negotiation and in the event of a hearing will form part of a public document. Anyone making representations or applying for the review of a premises licence will be informed that their details will be disclosed.

2 LEGISLATION, POLICIES AND STRATEGIES

2.1 Legislation

In undertaking its licensing function under the Gambling Act 2005, the Licensing Authority is also bound by other legislation, like the Human Rights Act 1998.

However, the policy is not intended to duplicate existing legislation and regulation regimes that already place obligations on employers and operators and the licensing authority, like.

1. Health and Safety at Work Act 1974;
2. Section 17 of the Crime and Disorder Act 1988;
3. Environmental Protection Act 1990;
4. The Anti-Social Behaviour Act 2003; or
5. The Race Relations Act 1976 (as amended);

2.2 Relationship with Planning Policies

When determining an application, the Licensing Authority cannot take into account "irrelevant matters" such as the likelihood of the applicant obtaining planning permission or building control approval.

A decision by the licensing authority under this Act shall not constrain any later decision by the authority under the law relating to planning or building.

An applicant can apply for a “provisional statement” if the building is not complete or if he does not yet have a right to occupy it. Such an application is, however, a separate and distinct process to the granting of planning permission or building control approval.

2.3 National Strategies

The Licensing Authority will also seek to discharge its functions identified by other Government Strategies, in so far as they impact on the objectives of the licensing function.

2.4 Local Strategies and Policies

Where appropriate, the Licensing Authority will consider applications with reference to other adopted local strategies and policies.

2.5 Integrating Strategies

There are many stakeholders involved in the leisure industry and many are involved in the promotion of the licensing objectives. A number of stakeholders’ plans and strategies deal with matters related to the licensing function. Where this is the case, the Licensing Authority will aim, as far as possible, to co-ordinate them.

The Licensing Authority recognises in particular the importance of the co-ordination and integration of the Gambling policy with other plans aimed at the management of town centres and the night-time economy.

Relevant plans and strategies include:

- ❖ **Crime and Disorder Strategy** – The Licensing Authority will fulfil its duty under section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough. As far as possible, licensing decisions will aim to contribute to the targets set in the Crime and Disorder Strategy and conditions attached to licences and certificates will reflect local crime prevention strategies.
- ❖ **Racial Equality** – The Licensing Authority is required under race relations legislation to have due regard to the need to eliminate unlawful discrimination and to promote equality of opportunity and good relations between persons of different racial groups.
- ❖ **Human Rights** – The Human Rights Act 1998 incorporates the European Convention on Human Rights and makes it unlawful for a local authority to act in a way which is incompatible with a Convention right. The Licensing Authority will have particular regard to the following provisions of the European Convention on Human Rights, in particular: -
 - Article 6 that in the determination of civil rights and obligations, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law;

- Article 8 that everyone has the right to respect for his home and private and family life;
 - Article 1 of the First Protocol that every person is entitled to the peaceful enjoyment of his or her possessions, including for example the possession of a licence.
- ❖ Proper integration will be assured by the Licensing Authority's Licensing Committee providing reports, when appropriate, to the Planning Committee on the situation regarding licensed premises in the area, including the general impact of gambling related crime and disorder, to enable the Planning Committee to have regard to such matters when taking its decisions.
 - ❖ Tourism and Town Centre Management – The Licensing Authority aims to promote a high quality thriving nighttime economy.
 - ❖ The Licensing Authority will ensure that the Licensing Committee receives reports, when appropriate, on the needs of the local tourist economy to ensure that these are reflected in their considerations.
 - ❖ Economic Strategies – The Licensing Authority will ensure that the Licensing Committee is apprised of the employment situation in the area and the need for new investment and employment where appropriate.
 - ❖ Enforcement Policy – All licensing enforcement will be conducted in accordance with the regulatory compliance code.

In order to avoid duplication with other statutory regimes, the Licensing Authority will not attach conditions to a licence unless they are considered necessary for the promotion of the licensing objectives. Conditions will generally be considered unnecessary if they are already adequately covered by other legislation.

3 DECISION MAKING

3.1 Terms of Reference

A Licensing Sub-Committee of three Councillors will sit to hear applications where representations have been received from interested parties and/or responsible authorities.

A clear statement of the reasons for the decision shall accompany every determination of a licensing decision by the Licensing Sub-Committee. The decision and the reasons for that decision will be sent to the applicant and those who have made relevant representations as soon as practicable in the form of a Notice of Determination.

The Council's Licensing Officers will deal with all other licensing applications where either no representation have been received, or where representations have been received and it is agreed by the parties that a hearing is not necessary.

Decisions as to whether representations are irrelevant, frivolous or vexatious will be made by Licensing Officers, who will make the decisions on whether representations or applications for licence reviews should be referred to the Licensing Sub-Committee.

Where representations are rejected, the person making that representation will be given a written reason as to why that is the case. The Gambling Act 2005 provides no right of appeal in these circumstances, although other avenues of legal challenge, for example Judicial Review, may be available.

3.2 Allocation of Decision Making Responsibilities

The Licensing Authority has established a Licensing Committee to discharge all Licensing functions.

The Licensing Committee has delegated responsibilities for determining certain administrative functions in respect of the Licensing Authority's approach to this Policy. Therefore the Licensing Committee may decide to adopt the following:

- Regulators Code;
- Information Sharing Protocol;
- Charges for Pre-application Advice; and
- Other matters relating to the administration of the Licensing Authority's functions under this Act.

The Committee has delegated certain decisions and functions and has established a Sub-Committee to deal with them.

Many of the decisions and functions will be purely administrative in nature and the grant of non-contentious applications, including for example those licences and permits where no representations have been made, will be delegated to the Director of Environment & Regeneration.

Appendix A sets out a table showing the agreed delegation of functions & decisions in respect of the full Council, Sub-Committee and Officers.

Such delegation does not preclude Officers from referring any application to the Licensing Sub-Committee if they consider it appropriate.

3.3 Licensing Reviews and Applications

Regulations have been made by the Secretary of State under Section 160 of the Act that will require applicants for premises licences to notify the responsible authorities and other persons.

Whilst these authorities will have legitimate interests in aspects of the application, the Licensing Authority must ensure that it does not take into account concerns from these bodies if they are not relevant to the application for a premises licence under the Act.

Examples of representations from such bodies that may not be taken into account are as follows (but these examples are not exhaustive):

- There are already too many gambling premises in the locality
- The proposed premises are a fire risk
- The location of the premises is likely to lead to traffic congestion

The Licensing Authority will carry out a review of a premises licence where it has received a formal application for review in accordance with the Act that is relevant to one or more of the Licensing Objectives.

Due consideration will be given to all relevant representations unless they fit the following:

- a) The grounds are frivolous
- b) The grounds are vexatious
- c) The grounds are irrelevant
- d) The grounds will not cause the Licensing Authority to revoke or suspend a licence or to remove, amend or attach conditions on the premises licence
- e) The grounds are substantially the same as the grounds cited in a previous application relating to the same premises
- f) The grounds are substantially the same as representations made at the time the application for a premises licence was considered and there has been no change in the circumstances.

The Act permits the Licensing Authority to review a premises licence if it considers it appropriate.

Representations may include issues relating to the following:

1. Use of licensed premises for the sale and distribution of class A drugs and/or the laundering of the proceeds of drugs crimes;
2. Use of licensed premises for the sale and distribution of illegal firearms;
3. Use of licensed premises for prostitution or the sale of unlawful pornography;
4. Use of licensed premises as a base for organised crime activity;
5. Use of licensed premises for the organisation of racist, homophobic or sexual abuse or attacks;
6. Use of licensed premises for the sale of smuggled tobacco or goods;
7. Use of licensed premises for the sale of stolen goods;
8. Children and/or vulnerable persons being put at risk.

4 LOCAL STANDARDS

4.1 Applications

An application for a premises licence can only be made by a person who either holds an operating licence authorising him to carry on the activity in respect of which a premises licence is sought, or, has made an application for an operating licence which has not yet been determined, or, in the case of an application for a track betting licence the applicant may not be required to have an operators licence.

The applicant may ask the Licensing Authority for advice as to the scope of information to be provided. The Licensing Authority may levy a charge where more in depth or complex advice and assistance is requested.

The level of detail to be provided will be advised by the Licensing Authority and will be proportional to the scale and nature of the application made.

Definitions of “Responsible Authorities” and “Interested Parties” who are able to make representations under this Act can be found in the glossary of terms in section 1.3.

4.2 Assessment of Need

Unmet demand for gambling establishments or facilities is not a criterion that will be taken into consideration when determining an application for a Premises Licence under the Gambling Act 2005. Demand is specifically precluded within the Act. There is no legal obligation to demonstrate that any demand exists.

4.3 Conditions

Conditions will only be applied to licences that are proportionate and appropriate to the business, organisation or individual concerned. The Licensing Authority will draw upon the advice issued by the Gambling Commission and attach conditions relative and proportionate to the given circumstances of each individual case.

4.4 Enforcement

The Licensing Authority intends to use appropriate enforcement to promote the licensing objectives. Once licensed, it is essential that premises be monitored to ensure that they are run in accordance with their operating schedules, in compliance with the specific requirements of the Act and in compliance with any licence conditions. It will also be important to monitor the Borough for unlicensed premises.

The Licensing Authority will seek to work actively with the Police in enforcing licensing legislation and intends to establish protocols with the Metropolitan Police on enforcement issues to ensure an efficient deployment of police and council officers.

Such protocols will be agreed by the Licensing Committee.

4.5 Casinos

There are currently no casinos operating within the Borough.

On 21 November 2018 Merton re-adopted a resolution under Section 166 of the Act not to issue casino licences within Merton or allow operators to make applications for premises licences for casinos.

4.6 Bingo

The Licensing Authority may issue a Bingo premises licence, which will authorise the following gaming machines:

- 1 20% of the total number of gaming machine of Category B3 or B4 machines
- 2 An unlimited number of Category C & D machines

4.7 Betting Offices

The Licensing Authority may issue a premises licence to Betting Offices, which will authorise the following gaming machines:

- 1 A maximum of 4 machines of Category B, C or D

4.8 Family Entertainment Centres (Licensed)

The Licensing Authority may issue a premises licence to Family Entertainment Centres which will authorise the following gaming machines:

- 1 An unlimited number of Category C & D machines
- 2 Category C machines must be located in an adult area only

4.9 Family Entertainment Centres (Unlicensed)

It should be noted that the term “unlicensed” in this definition means premises that do not require an operator’s licence to be granted by the Gaming Commission.

The Licensing Authority may issue a premises licence, which will authorise the following gaming machines: -

- 1 Unlimited numbers of Category D machines

4.10 Alcohol Licensed Premises

The holder of a premises licence, which authorises the sale by retail of alcohol under the Licensing Act 2003 for consumption on the premises, has an automatic entitlement, upon notification to the Licensing Authority, to have up to two (2) category C or D gaming machines. Should a premises licence holder wish to have more than two (2) category C or D gaming machines, they may apply for an alcohol licensed premises gaming machine permit. The notification of an automatic entitlement and an application for an alcohol licensed premises gaming machine permit is subject to restrictions as defined in regulations.

5 PREVENTION OF CRIME AND DISORDER OBJECTIVE

Merton's Licensing Authority places considerable importance on the prevention of crime and disorder, and will fulfil its duty under s17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough. A high standard of control is expected to be exercised over licensed premises.

Merton's Licensing Authority will, when determining applications, consider whether the grant of a Premises Licence will result in an increase in crime and disorder.

Applicants are encouraged to discuss the crime prevention procedures in their premises with the Council's Licensing Officers and the local Police Licensing Officer at Wimbledon Police Station before making a formal application.

In considering licence applications, the Licensing Authority will particularly take into account the following: -

1. The design and layout of the premises
2. The training given to staff in crime prevention measures appropriate to those premises
3. Physical security features installed in the premises. This may include matters such as the position of cash registers or the standard of CCTV that is installed
4. Where premises are subject to age restrictions, the procedures in place to conduct age verification checks
5. The likelihood of any violence, public order or policing problem if the licence is granted
6. The operators' draft or existing Local Area Risk Assessment and
7. the operators' compliance with the Council's Local Area Profile.

6 ENSURING THAT GAMBLING IS CONDUCTED IN A FAIR AND OPEN WAY OBJECTIVE

Generally, the Commission would not expect licensing authorities to become concerned with ensuring that gambling is conducted in a fair and open way, as this will be a matter for either the management of the gambling business (and therefore relevant to the Operating Licence), or will be in relation to the suitability and actions of an individual (and therefore relevant to the Personal Licence). As the Gambling Commission grants Personal Licences and Operating Licences, enforcement of these matters is the responsibility of the Gambling Commission.

7 PROTECTION OF CHILDREN AND OTHER VULNERABLE PERSONS OBJECTIVE

7.1 Access to Licensed Premises

With limited exceptions, the access of children and young persons to those gambling premises, which are adult only environments, will not be permitted.

The principle used to designate the following bodies to advise the Authority on the protection of children and vulnerable persons from harm is that they are the acknowledged experts in this specialised field within this Authority.

The Licensing Authority formally recognises Merton's Local Safeguarding Children Board and Community Care Services as the proper agencies in respect of the protection of children and vulnerable persons from being harmed or exploited by gambling.

The Licensing Sub-committee will judge the merits of each individual application before deciding whether to impose conditions to protect children and vulnerable persons on particular categories of premises. This may include such requirements as: -

1. Supervision of entrances;
2. Segregation of gambling areas from areas frequented by children;
3. Supervision of gaming machines in non-adult gambling specific premises.

The 2005 Act provides for a Code of Practice on access to Casino premises by children and young persons but Merton has adopted a policy not to permit casinos in the Borough.

7.2 Vulnerable Persons

The Licensing Authority does not seek to prohibit particular groups of adults from gambling in the same way that it seeks to prohibit children, but it will follow the Gambling Commission's assumption that for regulatory purposes, "vulnerable persons" include:

1. People who gamble more than they want to;
2. People who gamble beyond their means;
3. People who may not be able to make an informed or balanced decision about gambling due to a mental impairment, alcohol or drugs.

In addition to the responsible authorities and specifically with regard to the protection of vulnerable persons from being harmed or exploited by gambling, the Licensing Authority will consult with Community Care Services via a joint arrangement with the Merton Local Safeguarding Children Board & Safeguarding Adults Service.

8 COMPLAINTS AGAINST LICENSED PREMISES

The Licensing Authority will investigate complaints against licensed premises in relation to matters relating to the licensing objectives for which it has responsibility. In the first instance, complainants are encouraged to raise the complaint directly with the licence holder or business concerned to seek a local resolution.

Where an interested party has made either a valid representation about licensed premises or a valid application for a licence to be reviewed, the Licensing Authority may initially arrange a conciliation meeting to address and clarify the issues of concern.

This process will not override the right of any interested party to ask that the licensing committee consider their valid objections or for any licence holder to decline to participate in a conciliation meeting.

Due consideration will be given to all relevant representations unless they fit the exceptions in 3.3 sub-paragraphs A – F.

The Government remains concerned about a possible connection between FOBTs and problem gambling.

However a report on 6 July 2009 from the Gambling Commission has recommended that no immediate action be taken.
