Subject: FW: Premises/Club and Gambling Licensing Applications
Importance: High

Dear Licensing

I wish to oppose the attached application for 37 London Road

The times they are requesting 11pm to 2am are totally anti social in an area where we have significant anti-social behaviour and street drinking.
Most normal people are tucked up in bed at these times particularly if they are going to work.

Please advice what action needs to be taken to vote this down.

Thank
Linda
