**Cc:** [Russ.Stevens](mailto:Russ.Stevens)  
**Subject:** Elys Premises Licence

Caspar,

I met with Russ Stevens today to discuss our application for a new premises licence and I want to clarify some points on our application.

- We are seeking a licence to cover the sale of alcohol on ground and third floor so I am attaching a revised plan clearly showing the area for the proposed sale of alcohol on both floors.
- If our application is granted we will surrender our current licence.

Regards,

Maura
