

Notice is hereby given that a key decision will be taken by the Cabinet on 27 January 2020

ANNUAL REVIEW AND OTHER MATTERS RELATING TO THE VEOLIA STREET CLEANING AND WASTE CONTRACT

Where a key decision contains exempt information and would be considered in private session a 28 days' notice period, prior to the date of that the decision is required. If this notice period has not been given, then the decision can still be taken by the decision maker, if the provision contained within Rule 18 (Exempt Urgency Procedure) of the Access to Information Procedure Rules Part 4B of the Constitution has been met.

Councillor Southgate in his capacity as Chair of the Overview and Scrutiny Commission has approved the use of Section 18 - Exempt Urgency procedures for this decision, stating that the decision should be taken in public, subject to the exclusion of the exempt information, and should not be exempt from call-in.

The report provides commercially sensitive information relating to the Council's street cleansing and waste contract with Veolia.

The reason for urgency is that a decision is needed as the recommendations in the report form part of the Council's budget process and delaying for a further 28 days would adversely impact on that process.

The item is exempt due to Access to Information Rules, Part 4B section 3: information relating to the financial or business affairs of any particular person (including the authority holding that information).
