9 CRIME AND DISORDER IMPLICATIONS

The service has a statutory duty to contribute to the reduction of crime and disorder in Merton under section 17 of the crime and disorder act 1988. The prevention of crime and disorder is also one of the objectives of the council's statement of licensing policy. In determining applications it will be the policy of the service to consider the adequacy of measures proposed to deal with related crime and where appropriate it will attach conditions to permissions and licences to deter and prevent crime and disorder both inside and within the vicinity of the premises.

10 RISK MANAGEMENT AND HEALTH AND SAFETY IMPLICATIONS

All risk and health and safety implications have been considered in arriving at the final package of service plan measures. Risk ratings are determined for specific activities, including the delivery of outcomes, measures and targets in the plan, and are included within the Council's corporate risk management strategy. Identified risks and actions to minimise them are assessed on an annual basis
