Hi Christopher,

Apologies for the delayed response – this email was stuck in my drafts.

I agree to all the trading standards conditions below to be added to the operating schedule prior to opening.

Best,

Dear All,

After due consideration of the above application, and in its opinion to meet the licensing objectives of 'the prevention of crime and disorder' and 'the protection of children from harm', Merton Trading Standards Service would like to make the following representation requesting that these conditions be added,

1. Notices shall be placed at all points of sale detailing the restrictions on sales of alcohol to children.
2. An effective methodology shall be in place at all points of sale to ensure staff undertake appropriate age checks on potential sales of alcohol (and any other age-restricted product).
3. All staff that undertake the sale or supply of alcohol (and any other age-restricted product) shall receive appropriate refresher training in relation to undertaking appropriate age checks on such, at least every three months.
4. Records of all staff training, relating to the sale or supply of alcohol (and any other age-restricted product), along with any training material used, will be kept and maintained by the Designated Premises Supervisor or the Premises Licence Holder.
5. Staff training records shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the Police.

Many thanks,

Christopher
