

COUNCIL MEETING – 2 FEBRUARY 2022 NOTICE OF MOTION

Compliance with Covid rules

Council Notes:

The sacrifices made by Merton residents to comply with the rules during the pandemic and help make everyone safer.

That in order to be effective, there needs to be a feeling that the rules – and penalties for breaking them – will be applied fairly.

Council believes

- Government at all levels, local and national, needs to provide leadership.
- That in Merton councillors and officers have worked together to help make our Borough safer.
- That the recent reported potential breaches of the rules undermine public confidence, especially when not investigated properly.
- That the breaking of the rules should be investigated by the Police.

Therefore Council calls on the Leader to write to the Borough's two MPs to ask them if they agree with this, and to the Commissioner of Metropolitan Police asking her to investigate recent widely reported breaches of the rules
