What are the proposals being assessed?	Annual Increase to Traveller Site Licence Fee Increase
Which Department/ Division has the responsibility for this?	Adult Social Care, Integrated Care & Public Health

Stage 1: Overview	
Name and job title of lead officer	Steve Webb – Business Support and Relationship Manager
1. What are the aims, objectives and desired outcomes of your proposal? (Also explain proposals e.g. reduction/removal of service, deletion of posts, changing criteria etc)	A 7% increase in the Brickfield Road Traveller Site Licence Fee, is in accordance with the government's rent setting formula, as recommended by the Council's managing agents, Clarion Housing. This is lower than the 10.1% inflation rate in September 2022.
2. How does this contribute to the council's corporate priorities?	<p>Ownership of the travellers' site at Brickfield Road, SW19 was retained by the council at stock transfer in March 2010. The council entered into a management agreement for the site with Merton Priory Homes (now Clarion Housing) and this forms part of the legal transfer agreement.</p> <p>The council aims to ensure every resident lives in well managed and good quality accommodation. The increase supports Clarion's ability to carry out the terms of the management agreement.</p> <p>This proposal ensures the Council's compliance with a legal contract.</p> <p>In order for the Council to comply with the management agreement, there needs to be an annual review of the Licence Fee.</p>
3. Who will be affected by this proposal? For example who are	The 15 households at Brickfield Road Traveller Site.

<p>the external/internal customers, communities, partners, stakeholders, the workforce etc.</p>	
<p>4. Is the responsibility shared with another department, authority or organisation? If so, who are the partners and who has overall responsibility?</p>	<p>The decision is shared with Clarion Housing.</p> <p><i>Under the management agreement the weekly licence fee for renting a pitch on the site is to be set by the council and reviewed at least annually. The licence fee shall be no less than the level recommended by Clarion Housing (acting reasonably) from time to time.</i></p> <p>Clarion Housing have recommended that the licence fee be increased by 7% from April 2023, increasing the weekly fee from £102.33 to £109.49</p> <p>The 7% increase to be applied by Clarion Housing has been calculated in accordance with the Government's current rent setting formula. Since stock transfer the standard increase (or reduction), as applicable to social housing, has been applied each year.</p>

Stage 2: Collecting evidence/ data

5. What evidence have you considered as part of this assessment?

The application of the rent increase is in accordance with national guidance which in itself was the outcome of widespread consultation and an impact assessment.

Outcome 1 – The EA has not identified any potential for discrimination or negative impact and all opportunities to promote equality are being addressed. **No changes are required.**

Outcome 2 – The EA has identified adjustments to remove negative impact or to better promote equality. **Actions you propose to take to do this should be included in the Action Plan.**

Outcome 3 – The EA has identified some potential for negative impact or some missed opportunities to promote equality and it may not be possible to mitigate this fully. **If you propose to continue with proposals you must include the justification for this in Section 10 below, and include actions you propose to take to remove negative impact or to better promote equality in the Action Plan. You must ensure that your proposed action is in line with the PSED to have ‘due regard’ and you are advised to seek Legal Advice.**

Outcome 4 – The EA shows actual or potential unlawful discrimination. **Stop and rethink your proposals.**
