

Healthier Communities and Older People Work Programme 2023/24

This table sets out the draft Healthier Communities and Older People Panel Work Programme for 2023/24. This Work Programme will be considered at every meeting of the Panel to enable it to respond to issues of concern and incorporate reviews or to comment upon pre-decision items ahead of their consideration by Cabinet/Council.

The work programme table shows items on a meeting-by-meeting basis, identifying the issue under review, the nature of the scrutiny (pre decision, policy development, issue specific, performance monitoring, partnership related) and the intended outcomes. The last page provides information on items on the Council's Forward Plan that relate to the portfolio of the Healthier Communities and Older People Panel so that these can be added to the work programme should the Panel wish to.

Chair: Councillor Agatha Akyigyina
Vice-chair: Councillor Jenifer Gould
